

Extended Care

Mrs. Terranova, Mrs. Sadowski, Mrs. Hultberg

We hope you enjoyed your holidays! We are happy to be back in school and looking forward to this new year! We have a lot of exciting things planned in our extended care room!

We talked about community helpers! We finger painted with yellow and red to make it look like fire! We instructed the children to make and up and down movement with our hands! We also introduced a large fire truck that the children can climb through and use their imagination. We talked about stop, drop, and roll! We read, ! STINK! Community Helpers, and POLICEMAN!

We also discussed about weather! We have talked about what weather we like the best! We made a leaf to float during fall weather! We made bright suns! Rain clouds with cotton balls!

Miss Musser returns to Extended Care in February. We have missed her but we've had a great time with Mrs. Sadowski and Mrs. Hultberg in her absence.

We will have a valentine's celebration in our extended care room filled with lots of games and crafts!
